INTERESTS

I love to design, draw digitally and with pencil (liners, markers, watercolor), make photos and letterings, write calligraphy, read a lot of ebooks and collect the best artbooks, classic literature and cool posters, riding bicycle and travel much.

I'm interested in justified minimalism, the modularity, architecture (Historical, Bauhaus, Modern, Gothic), urbanistics and urban navigation (wayfinding), lettering, typography, calligraphy, watercolor, drawing, digital art, programming.
